FOR IMMEDIATE RELEASE

Rustic Point Home Furnishings is Moving!

Evergreen Store Grows with Local Support

Evergreen, CO – October 1, 2007 – Rustic Point, the 17-month-old home furnishing store in the Showbarn Plaza, is already busting at the seams. In November, the business will move to the retail area north of Evergreen, in the beautiful new log building on the hill. The store's new address will be xxxxxxxx, xxxxxx.

“Thanks to the support of local Evergreen residents, we are growing,” says owner, Sara MacBean. “We needed more space for our selection of leather and cedar log furniture, wall décor, and unique gifts. We want to thank our loyal customers for making this move possible.” The new location will also offer more convenience to shoppers, with easy access from both I-70 and Evergreen Parkway. The concentration of other popular retailers in the area will allow Rustic Point customers to easily stop in as they do other shopping.

Rustic Point plans to move in early November and will showcase the new space with a Grand Re-Opening soon after.
